

Provider Communication

Subject: OTC Loratadine Syrup	Priority: High
Date: December 14, 2004	Message ID: ACSBNR12132004_1

Dear Provider:

Due to the limited availability of generic OTC Loratadine syrup, Georgia Medicaid will cover brand name Claritin Syrup effective 12/13/04.

When sufficient supplies of generic Loratadine become available, Brand Claritin syrup will be discontinued from Georgia Medicaid coverage. You will be notified via banner message or fax blast.

We apologize for any inconvenience or confusion this may have caused your pharmacy or your members.

Please contact the ESI Call Center at 1-877-650-9340 should you have any questions or require additional information.
